We would like to show our appreciation for all of the dedicated work he has done for us by saying "Thank you, Mr. Sasser."

"This group of Seniors is the type of group that causes a coach to continue coaching even though the victories are somewhat scarce. What these seniors lack in stature and skills, they truly make up for with their great desire. Skilled or unskilled, large or small, whatever the case may be, these seniors all carry a big heart. They also have a special place in my heart".

BE THE BEST OF WHATEVER YOU ARE

If you can't be a pine on top of the hill,
Be a scrub in the valley, but be
The best little scrub by the side of the hill,

If you can't be a bush, be a bit of the grass,
Some highway happier make;
If you can't be a muskie, then just be a bass--
But the liveliest bass in the lake!

We can't all be captains, we've got to be crew,
There's something for all of us here,
There's big work to do, and there's lesser to
Do, And the task we must to is the near.

If you can't be a highway, then just be a trail,
If you can't be the sun; be a star;
It isn't by size that you win or fail---
Be the best of whatever you are!
